

ABC Picture Book

For this assignment you and a partner are to create an ABC Picture Book that would teach young children about important concepts from an event/period/or theme in American (or Kentucky) History. You will need to choose one concept from each letter of the alphabet – that means 26 concepts. Each concept should start with a particular letter of the alphabet (i.e. A for Abraham Lincoln) except for those that are difficult to find concepts that begin with that letter. (Q,X,Z)

For each page, please include:

- The key concept/name somewhere in the page
- A visual in the middle of the page
- A brief description of the concept so that young children might understand it better
