## OBJECTIVE:

- Students will be able to demonstrate proper use of video equipment.

## DIRECTIONS:

Make a list of the video equipment needed to record an example of the following:

- 
- |                         |                        |                       |
|-------------------------|------------------------|-----------------------|
| • Rule of Thirds        | • CU Close-up          | • Low-angle shot      |
| • LS Long shot          | • ECU Extreme close-up | • Panning             |
| • ELS Extreme long shot | • Eye-level shot       | • Tilting             |
| • ES Establishing shot  | • Subjective angle     | • Zooming             |
| • MS Medium shot        | • Objective angle      | • Handheld Microphone |
| • MCU Medium close-up   | • High-angle shot      | • Lavalier Microphone |

Then, record 15-30 second examples of each and complete the table on page 2.
