## Terms and Conditions of Sale

The Quote Sheet and these Terms and Conditions of Sale contained herein become the agreement between Certiport, a business of NCS Pearson, Inc. ("Seller") and the organization listed on this Quote Sheet ("Buyer") for the sale of goods and/or services as described in the Quote Sheet (hereinafter the "Agreement"). Seller's agreement to provide the goods and/or services is expressly conditional on Buyer's assent to this Agreement. If Buyer objects to any terms herein, such objection must be in writing and delivered to Seller within seven (7) calendar days of receipt of this document. Failure to make such timely exception or acceptance of any goods or services by Buyer shall be conclusively deemed assent to the terms and conditions herein.

**1. Order Acceptance and Complete Agreement.** All requests for goods or services received by Seller are subject to revision and rejection by Seller. Buyer's acceptance of goods and/or services evidences Buyer's acceptance of these terms and conditions. This Agreement may not be altered or modified except in writing duly executed by both parties. Except as set forth herein, the parties agree there are no other contracts or agreements between them, oral or written, with respect to the products and/or services procured hereunder (including any made or implied past dealings). No additional or different terms and conditions stated in or attached to Buyer's order or Buyer's communications to Seller, including, but not limited to, Buyer's orders, purchase order or other communication to Seller are applicable to this transaction in any way, and are hereby rejected and shall not be considered as Buyer's exceptions to these terms and conditions. Trade custom, trade usage and past performance are hereby superseded and shall not be used to interpret these terms and conditions. Buyer acknowledges that Buyer may be required to sign a Certiport Authorized Test Center agreement prior to any goods or services delivered under this Agreement being deliverable from Buyer to end users.

**2. Implementation of Services.** Seller cannot commit to an estimated schedule for the delivery of goods or services to Buyer until Buyer has signed and returned this Agreement to Seller.

**3. Payment, Prices and Setoff.** Payment terms are net thirty (30) days from date of invoice. Prices stated on the order exclude shipping and handling charges, sales, use, excise, VAT or similar taxes or duties. All payments are due in U.S. Dollars unless otherwise agreed by Seller in writing. In addition, Buyer waives any rights of setoff.

**4. Title.** Unless stated elsewhere in this Agreement, all shipment of goods shall be delivered F.O.B. Seller's facility, and any loss or damage thereafter shall not relieve Buyer from any obligation hereunder. Buyer shall be liable for costs of insurance and transportation and for all import duties, taxes and any other expenses incurred or licenses or clearance required at port of entry and destination.

**5. Termination or Cancellation of this Agreement.** This Agreement, and all rights, and if applicable any licenses granted herein by Seller to Buyer, may be terminated by either party for a material breach of an obligation imposed upon a party by this Agreement, but only after written notice by the non-breaching party has been given to the breaching party. Such notice must provide for an opportunity to cure such material breach of at least thirty (30) days following receipt of the notice by the breaching party. If the breaching party has not cured the breach by the cure date stated in the notice, only then may the non-breaching party giving the notice terminate this Agreement (and all rights and if applicable any licenses granted herein). In the event of termination for breach, the breaching party will be liable to the other party for reasonable wind-up and program management costs.

**6. Parental Consent Form.** Before allowing an examinee under the age of 18 to register and take an Exam, Buyer shall require the parent/legal guardian of the examinee to complete and sign a Parental Consent Form. Buyer shall be responsible for collecting any consent to transmit examinee data to Seller and Seller's clients, where applicable. Completed Parental Consent Forms must be retained by Company and made available to Certiport upon request.

**11. If the content of the information or materials furnished by Buyer under this Agreement is proven to infringe a trademark, patent, copyright, or other intellectual property right or Buyer determines that the content of any information or materials furnished to Seller under this Agreement will infringe such rights, or Buyer is enjoined from using the information or materials furnished by Buyer to Seller under this Agreement then Buyer, at Buyer's sole discretion and expense shall (i) procure for Seller the right to continue using such information or material, (ii) replace the information or material with a non-infringing product, or (iii) modify the information or product so it becomes non-infringing.
